MEMORANDUM FOR: JACK MARSH

FROM: BOB WOLTHUIS *RKW*

I have talked to Mike Hugo and he informs me that the following procedures will be followed when Members of Congress wish to see the CIA appropriation figures. They will contact Chairman Mahon of the Defense Subcommittee or Ralph Preston with their request to see the figures. They will be allowed to examine the figures but will not be permitted to take notes. Also they will not be allowed to remove the documents from the committee area.

As you may know, Chairman Mahon has also appointed a task force from the committee to review procedures and make recommendations on how to handle classified information.
